A SPECIAL MESSAGE TO YOU FROM BARB...

Dear friend,

More than ever, women need women's conferences, events and retreats. Christian and non-Christian women feel overwhelmed by struggles and troubles, so carving out time to get away is more important than ever. By the way, a women's event doesn't need to be fancy and it doesn't need to be big. Women need a reason to gather, a lot of Jesus and a chance to connect with each other. We're all fighting for and against something and I believe that God uses women's events to connect women to the local church and re-energize us for that fight.

Yet, planning a women's event is tough! It takes a lot of time to plan, recruit volunteers and promote your event. As a former conference leader, I understand the challenges that you face. Know that I am cheering for you - and my friend, don't give up! Even when you aren't sure or you're overwhelmed with all of the details, hang in there! God's the best event planner ever, so follow the wisdom of 1 Peter 5:7 and give all of your worries and cares to God and keep going!

No matter who you choose to speak at your event, just know that I am praying for you.

All God's best,
Barb
