WOMEN'S
CONFERENCE

INFORMATION

Join me in equipping women to live their best lives!

Women want to live courageous lives, but too often fear, hardship or the past has stripped their courage. However, you can create this conference experience and give women a chance to stand and dream together of God's best life for them!

Introducing the Courageous Women's Conference!

The Courageous Women's Conference is based off one of my favorite Bible verses in Joshua 1:9: Be strong and courageous. Do not be afraid or discouraged for the LORD your God is with you wherever you go." -Joshua 1:9 NLT

As your conference speaker, I will bring Christ-centered messages that contain powerful biblical teaching and equip the women with practical tools that work. Not only that, but I've created a program format that will connect the women to God and each other - while having some fun and surprises throughout the day!

I've created the program. You can focus on loving the people!

Your life is busy, so making most of your time is important. Do you really want to spend months trying to brainstorm a theme, logo and pay for a graphic designer? You can, if you'd like. BUT, what if you could take that time and spend it connecting with the women at your church and getting them excited about the event. Let me provide the program and you can focus on love the ladies and let them know how much they matter! Ready for the program?

How much does the Courageous Women's Conference cost?

The cost for the Courageous Women's Conference design and support materials is included with my regular speaking fees for your event. I created the Courageous Women's Conference marketing pack to save you time and resources so that you could pour your efforts into inviting women at your church and in your community to attend.
